| Objectives | • Students will feel more comfortable expressing themselves in writing  
• Be able to group writing with some sort of story-writing |
| Standards | • Students will learn how to write a poem/and or story  
• Students will be able to put together a video project using a computer |
| Materials | • Computer (with audio recording software)  
• Computer Program Jaycut  
• Self written, original poem |
| Procedure | 1. Have students write their own original poem, at least 5 stanzas long  
2. Show them how to create an account on the Jaycut application  
3. Have/assist them recording themselves saying their poem into the program  
4. Show them how to use the program to create a little video story to go along with their poem (about 3 minutes long).  
   *Make sure you give them
benchmark deadlines to get each piece done
