# Jaycut in the Elementary Classroom

## Social Studies

### 4th/5th grade lesson plan

<table>
<thead>
<tr>
<th>Objective:</th>
<th>To analyze one character from the film and present a jaycut video show on him/her and make a report.</th>
</tr>
</thead>
</table>
| Materials: | • One computer per student  
• DVD film  
• Subject- one character of film  
• Projector  
• Paper and pen |
| Note to teacher: | Make sure to break the class up into groups of 3-5. Have the students watch the film 2 or more times. Ask them to choose one character. Make sure the groups are not doing the same figure. Consider having a pre-made list of people the students could choose from. Have the students tell you who they chose, no repeats. Make sure the students are aware of creating a Jaycut video show. |
| Procedure: | 1. Have the group choose their character.  
2. Show the students how to create a Jaycut videoshow.  
3. Have them analyse the character chosen and make some comments on his/her appearance, behaviour, attitude to others.  
4. They will write opinions to put into their report. Examples: why they have chosen him/her, what they like or dislike the character, etc.  
5. Write a 1-2 page typed report. |
| Evaluation: | Check for creating jaycut video show, spelling, grammar, expression of opinions and that it is turned in on time. |
