Procedure	<ol style="list-style-type: none"> <li>1. Warm-up <ul style="list-style-type: none"> <li>- What do you know about Russia? Its climatic conditions? Is it Art? How do they influence on engineering?</li> </ul> </li> <li>2. Students will then comment on each others work and how well it shows the Russian zodchestvo style of architecture.</li> </ol>
Application of YAZZEM	<ul style="list-style-type: none"> <li>- Have students create a Yazzem account where they can share information.</li> <li>- After the information gathered ask students to make a draw of a house in Russian zodchestvo style.</li> <li>- The drawings must be scanned and posted at Yazzem where other students can comment on them</li> </ul>
Evaluation	Teacher should assess draws by paying attention to other students' evaluation at Yazzem
