

FINANCE: THE ROLE OF AUDITORS

Overview	Students will know the role of auditors. They will use Internet and Yazzem
Objectives	After learning about the roles of auditors, students will write a paragraph about auditors with 100% content accuracy.
Learning Environment	Group work, E-Learning
Types of students	Post-Secondary schools
Standards (NETS/ISTE Teachers standards 2008)	Facilitate and Inspire Student Learning and Creativity
Materials	Computers with Internet access Library for reference materials Yazzem accounts
Procedure	<ol style="list-style-type: none"> 1. Ask students to research the role of auditors. 2. Students can use the internet or library sources to do the research. 3. After they have done a significant amount of research have students write a list comparing what the auditor's jobs are. 4. Have students compare their information to other students in the class. 5. While they compare their information with other students, they will right down the different information that other students had and they didn't and vice-versa. 6. Once they have done this the students can get on their Yazzem accounts and post their information to be discussed. 7. Students will give thoughtful comments on the other student's posts and will be graded on their involvement and thoughtful comments. 8. After all of this has been complete the students will use their information and the comments from the forum to write a paragraph about the role of auditors.
Application	<ol style="list-style-type: none"> 4. Create a Yazzem account. Then post to the forum <i>Set out the important concepts to be considered when working as an auditor.</i> 5. Have students share their thoughts 6. Finally ask students to write a paragraph about the role of auditors

Evaluation	Look at students' posts, how active they were and the quality of their responses. Check their paragraphs for quality information about the role of the auditors.
