

1. Post-Secondary Lesson Plan

In this lesson plan, students will use Task.fm to create a reminder of tasks they must complete in order to finish their presentation.

The students know how to use Task.fm, create a reminder of tasks on main US historical events of 19 century, create a visual aid, and finally create a presentation.

Objectives	<ul style="list-style-type: none">- Students make up a plan of tasks on main US historical events of 19 century, create a visual aid, and finally create a presentation.- Students will then give a short presentation of the events to their groupmates. Students will also use Task.fm to create a reminder of things required to complete their project.
Learning Environment	The students will work individually. They will use Task.fm on a computer. They will also be able to do research on their topic in the library.
Types of Students	The students will be in post-secondary education and in a history class.
Standards	United States History USH.5.6
Materials	Computers, mobile-phone, books and Task.fm.
Procedures	<ol style="list-style-type: none">1. Students repeat the material.2. Students will then be asked to use Task.fm to make a list of things they need to accomplish in order to complete their report.3. The teacher will give several days of library and computer lab time in order to give the students the chance to research using materials.4. Students will then create presentation.
Application	Having learnt using Task.fm, the students will use the program to list the things they need to accomplish in order to complete their reports.
Evaluation	Creativity of a presentation = 80 points Visual aid = 30 points Recorded plan = 40 points Total = 150 points
