

Showcase Yourself

Grade Level: 6-8

<p>Objectives</p> 	<p>At the end of each semester, students will show parents/guardians how they did during the past 18 weeks. Students will prepare a PowerPoint presentation and then post it online so it can be viewed outside of school.</p> <ul style="list-style-type: none">• Students design a SlideServe show that demonstrates what activities they did during the semester• They will describe what they liked/disliked during the first half of the school year• Inform parents/guardians of students what we are doing in class
<p>Materials</p>	<ul style="list-style-type: none">• SlideServe• Power Point• Projects completed in class
<p>Procedures</p> 	<ol style="list-style-type: none">1. Students will create a PowerPoint presentation about their class projects and assignments. They will pick out their favorite activities from the semester and write a short description about them. Students can use bullet points, pictures, etc. to describe their projects.2. Convert the slide show into a SlideServe presentation.3. Post the SlideServe presentation online so that it can be seen outside of school. Make sure to send the link home with the students or email it to parents to make it easy to find the presentation online.
<p>Evaluation</p>	<p>Students will be graded on creativity and completion of their projects. If students put effort into their presentations and complete all of the procedures they will get an A. The project is usually worth about 10% of the final grade in the class.</p>
