

Holiday Cards

Overview	Students will use the online photo editing site Splashup to edit pictures to their specifications for holiday cards that they have previously decorated to take home to their parents.
Objective	Students will develop basic photo editing skills and will gain skills in using the internet.
Standards	This lesson covers Indiana State Standards for 5 th grade Fine Arts: Visual Arts 5.8.2 <ul style="list-style-type: none">• Create artwork incorporating concepts, subject matter, technology, or the sign systems of other disciplines that integrates in-depth knowledge gained through integrated study.
Material	<ul style="list-style-type: none">• Computers for each student with internet access• Photos to upload to Splashup for the students to edit
Procedure	The Instructor will: <ol style="list-style-type: none">1. Show the students how to access the internet.2. Direct the students to Splashup, and upload the photo of choice for each student from the photos the teacher has chosen.3. Show the students some of the things that they can do with their photos.4. Let the students edit their photos and help them when necessary.5. Print off the photo when finished and glue it onto the card that the student has previously decorated.

Evaluation

Students will be graded on their ability to appropriately use online resources. They will also be graded on their creativity and over all work ethic on the project.
