

Make Your Own Fable

Objective	Students will find pictures online and use them to create their own fable book based off of an already known fable.
Materials	Pictures from home or from the internet that pertain to the students project. Computers that can run the SplashUp program.
Procedure	<ol style="list-style-type: none">1. Ask students to bring pictures of animals from home or find them on the internet.2. Help students sign up for an account on SplashUp.3. Scan the pictures that students brought in for their project.4. Let the students create their book.5. Print their final product off.
Evaluation	Ask the students if they enjoyed using the editing tool. Have the students read their books to the class. Ask the students what was the hardest and easiest parts about making their fable.
