

### Class Communication

<b>Objective</b>	Students will use 6grounds as a means to learn how to use webcams, microphones, and interactive environments with another class in the school to work together on projects.
<b>Learning Environment</b>	The students will work together in small groups in conjunction with another class (through the internet) to finish a group project by using 6grounds technology and the internet.
<b>Types of Students</b>	The students will be in elementary school, 3-5 graders
<b>Standards</b>	Standard 1: Academic Development: Effective Learning 1.1, 1.2, 1.4 Standard 3: Citizenship Development: Respecting self and others 3.3, 3.4, 3.6, 3.7, 3.16 <a href="http://www.indianastandards.org">www.indianastandards.org</a>
<b>Materials</b>	Computer Station with internet access, paper, pencil, group members, project instructions, permission slip
<b>Procedures</b>	<ol style="list-style-type: none"> <li>1. The teacher will make an account and show the students how to work with the program. The teacher will supervise the project.</li> <li>2. The students will then be assigned to groups in their class and the other class.</li> <li>3. The project will be assigned to both sides of the group and a time set up in both classes for them to communicate with each other.</li> <li>4. The students will then start to use the equipment and their projects as a group by assigning tasks to each other.</li> <li>5. Once the individual work is done each student will present it to the group and hand it in to their teacher.</li> <li>6. The students will then have three days to put together the project as a whole and each class will hand to their teacher a group project.</li> </ol>
<b>Application</b>	After learning how to use 6grounds, the students will use the program and its unique applications to finish a project with another class through the internet
<b>Evaluation</b>	Students will turn in a copy of their work, which will be worth 25 points Students will then hand in a group copy of their work, which will be worth 25 points. Total=50 points
