

Lets Discover Greece

By Bonnie Buckingham
Primary subject-Social Studies
Grade Level 3-5

Overview	An introduction to Greece. They will become familiar with the internet to do research and use vi.sualize.us to help them find pictures of a Greece.
Objective	The student will become familiar with the names and brief history of Greece and the cities they choose to research. They will use the Vi.sualize.us to find a picture of the city they choose to research. This will give the student an opportunity to experience Greek culture.
Standards	Standard 2: READING: Comprehension Standard, 4: WRITING: Process Standard, 7: LISTENING AND SPEAKING: Skills, Strategies, and Applications.
Materials	Computer and access to the internet. They will also need use of a printer.
Procedures	<ol style="list-style-type: none">1. This will be done individually or in groups of two.2. The student will choose a Greek city from a list provided by the teacher.3. The student will go to the web site vi.sualize.us and find a picture of the Greek city.4. The student will then research more information on the Greek city and write a two page research paper including resources sited. The paper should include the picture from the vi.sualize.us site. The paper should include information on the Greek people and their culture.
Evaluation	I will use the papers to evaluate their research abilities and writing abilities.
