

Blogging with Grou.ps

Post Secondary 1

Objective	It will give the students a way to communicate daily with others through writing. They will be able to portray their thoughts and interests to others through the blog.
Types of Students	College students in a basic level English class
Standards	
Materials	Each student must have access to a computer daily.
Procedures	An account will be made on Grou.ps and then they can make a blog on this site. The student can make the blog about whatever they want, the only rule is they must make an entry everyday for the semester.
Application	The teacher will grade the students based on the content of the blogs that they posted.
Evaluation	The teacher can monitor the blogs and grade them on their writing,

communication and participation in
general
