| **Objectives** | • Students will be able to define teamwork.  
• Students will work together to brainstorm 3/4 words that teamwork means to them.  
• Students will develop three or four positive guidelines for working in a group together. |
| **Materials** | • Internet  
• Computers with webcam.  
• Paper  
• Markers |
| **Procedures** | Part 1: Put students in group with piece of paper and marker. Each group is to brainstorm 3 to 5 words that mean teamwork to them. (5 minutes)  
Go over some of the words on the front board.  
Part 2: Each group is to come up with their own definition of teamwork - in a sentence or two what does team work mean to them. (10 minutes)  
Go around the class ask each group to read their definition.  
Part 3: Each group will come up with three guidelines for working in groups which will help all groups succeed. (5 minutes)  
Have the students record them on 12seconds.tv.  
Part 4: Each group will upload their thoughts and send them to a different group.  
Part 5: Review the main points of Teamwork  
Teamwork means we have to be able to work together to share a common goal. |
