

Shakespeare Reading Analysis

Post Secondary Level: English

Overview	Develop a better understanding of a Shakespeare reading
Objective	To display students understanding of a Shakespeare reading (specifically Sonnet 24) through the use of Animoto.
Materials	A computer with internet so that the student can find pictures to put onto the video, and make the video on Animoto.com; They will also need to have a copy of Sonnet 24 so they can analyze it.
Procedure	<ol style="list-style-type: none">1. Read and go over Sonnet 24 with the class.2. Have the students divide into small groups and discuss who is going to do what for the project.3. Students will create a 2-3 minute Animoto video displaying their own portrayal of the sonnet. They will use multiple pictures and phrases in order to display their interpretations of the reading.4. They will present the video to the class.
Evaluation	Presentation of the video to the rest of the class. The class will evaluate each group's video. Each presentation will be graded as a project score and all group members will receive the same score.
