

Social Studies (Presidents)	
Objective	Students will complete a short PowerPoint presentation on a president and upload it using TwitDoc to the classes Twitter page. After this is completed they must put the Presidents in order on the page.
Learning Environment	Students will be in a computer lab in an elementary school, completing this project with no aid.
Types of Students	The students will be in elementary school, 4 th or 5 th grade.
Standards	2.1 Students will differentiate between events that happened in the past and recently, recognize examples of continuity and change in local and regional communities, and consider ways that people and events of the past and present influence their lives.
Materials	Computer for each student; TwitDoc
Procedures	<ol style="list-style-type: none">1. Students will need to log onto the computer and open PowerPoint completing the necessary slide show requirements.2. Each student will then go to TwitDoc and upload the file to the teacher's page3. Students will then be asked individually to place each president in order on the Twitter Page.4. Once this is completed the students will save their work and it will be graded by the teacher.
Application	After learning how to use Twitdoc, students will post their PowerPoint's online to the class's page. Once this is done students will place the Presidents in the correct order.
Evaluation	<ul style="list-style-type: none">• Power points are successfully uploaded onto the page• Presidents are correctly ordered on the page• File was uploaded through TwitDoc
