

# Spelling & TwitDoc

## 3<sup>rd</sup> Grade Spelling

Overview	The purpose of this project is for students to develop the ability to correctly spell complicated words and to be able to complete sentences using words from their spelling list and upload them to TwitDoc. They can then use their sentences, as well as their classmates' sentences to study the words, their definitions and how they can be used in a sentence.
Objective	After studying their spelling words, students should be able to correctly spell the word, as well as match the word with the correct definition and use the word correctly in a sentence.
Standards	<b>3.1 READING Word Recognition, Fluency and Vocabulary Development:</b> Students understand the basic features of words.
Materials	Students may use a dictionary to help learn the definition of the word. They may also use other students' sentences in order to help understand the meaning and context of the word.
Procedure	<ol style="list-style-type: none"> <li>1. Students will receive their spelling lists at school on Monday.</li> <li>2. Students will write each word, followed by the definition of the word, and the word used <b>correctly</b> in a sentence.</li> <li>3. Students will then upload only their sentences to Twitter by way of TwitDoc.</li> <li>4. Students should then look at other students sentences and study these sentences as well as the definitions they found in order to pass an in-class test on Friday.</li> </ol>
Evaluation	Students will be graded on whether or not they follow the procedure above. They will also be evaluated based on the test they will take on Friday at school.
