# MovieEditor

## Speech: College Freshman

<table>
<thead>
<tr>
<th>Overview</th>
<th>The purpose of this activity is for students to gain a better understanding of how to make their speeches more interesting by using good visual aids.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Objective</td>
<td>By the end of this activity, students will have gained more knowledge of what all is needed in a good visual aid and how they can incorporate visual aids into their speeches.</td>
</tr>
</tbody>
</table>
| Materials | Creaza account  
Computer with internet access |
| Procedure | Have the students choose topics for a speech.  
Explain what needs to be included in the speech explain what a visual aid should do.  
Introduce them to Creaza’s MovieEditor.  
Provide an example of what their MovieEditor could look like. |
| Evaluation | Did the students follow directions?  
Did the students include most of the information that is required in the speech?  
Did the MovieEditor have an effect on the speech?  
Was this effect good or bad. |
