## Overview
Using Lexipedia, students will work in groups to better understand and study vocabulary words for an upcoming test. Students will do this by looking up their words on Lexipedia to see the meaning of the words, as well as the synonyms, antonyms, and its parts of speech.

## Objectives
After receiving a list of vocabulary words, students will be able to define all of the words, as well as know each word’s part of speech, an antonym, and a synonym with 90% accuracy.

## Standards

| 3.1.7 Intermediate (Level 3): Use synonyms and antonyms to demonstrate understanding of words. |

## Materials
- A list of vocabulary words to define
- A computer with internet to get onto Lexipedia.com
- Pencil and paper to write the definitions and parts of speech
## Grade 3

### Vocabulary Practice

| Procedure                          | 1.) Students will get into groups  
2.) Each group receives a list of vocabulary words to define  
3.) Each group goes to a computer and gets onto Lexipedia.com  
4.) Students look up each word in Lexipedia.com, and write down the correct definition and part of speech for each word  
5.) Each group studies the words together to help them better learn and understand the words. |
