# Spanish language

**Grade Levels:** College and beyond  
**Duration:** 50 minutes

## Objectives

The objective of this lesson is for students who want to continue learning their Spanish skills through post secondary school. These students will be using Wavosaur as their guide to improve their skills. They will have to make up a song and put it on wavosaur. They will also have to critique other student’s songs and somehow make them more fluent.

## Required Materials

- Wavosaur  
- Paper  
- Pencils/Pens  
- Very good understanding of the Spanish language

## Procedure

1. The students will have to use their Spanish skills and make various songs while using wavosaur.  
2. Each student will have a certain song that they will have to remake with their Spanish lyrics  
3. The student will be graded based on how good or bad their song is (not including their singing abilities).  
4. There will be four to five songs that they will have to work on throughout the semester.

## Assessment

The students will be graded on a normal grading scale based on their work effort and their song quality.

- A 90-100
- B 80-89.9
- C 70-79.9
- D 60-69.9
- F Below 60
