Create a Wiki

☐ Step 1
✓ Click Course Content in the main menu.
✓ Mouse over the Tools button, then click Wikis.
✓ Select the Create New Wiki button

☐ Step 2
✓ Provide a name and optional instructions
✓ Scroll to item 4, Grade Wiki, and select the radial button to make this a graded Wiki. Enter your desired number of points possible.
✓ Click the Submit button after you complete the settings.

☐ Step 3
✓ Ensure your wiki is selected from the list and then click Next.

✓ On the Create Link: Wiki screen, leave all settings to the default, and click Submit
