

<p>Overview:</p>	<p>The purpose of this lesson is to help American College Students learn more about the Spanish Culture. These American students will learn through pictures from a pen pal using a 2.0 Web Application called Twitpic.</p>
<p>Objective:</p>	<p>After given a pen pal, each student will be able to view and post pictures using Twitpic to learn enough about a Spanish Culture to write a 5 page report with a 100% accuracy.</p>
<p>Standards:</p>	<p>This assignment will meet the standards of an Indiana College for a first level Spanish Course.</p>
<p>Materials:</p>	<p>Students will need a computer and a camera for this assignment. The computer needs an Internet application and Word Processing for completion of this assignment.</p>
<p>Procedure:</p>  <p>Microsoft Clip Art</p>	<ul style="list-style-type: none"> • The Spanish professor will assign each student a pen pal from a partnered college in a Spanish culture. • The American student will create a user name on Twitter and post a picture of him/herself on Twitpic for their pen pal. • The American student and pen pal will communicate back and forth describing about their own culture and pair each bit of information with a picture. • After four weeks of uploading pictures on Twitpic, the American students should have a good idea what their pen pal's culture is like. • The American student will write a 5 page report about what their pen pal's culture is like using pictures to illustrate.
<p>Evaluation:</p>	<p>Each report will be graded on amount of content, organization, grammar and spelling. After turning in the report, each student will complete an essay exam. The essays will require students to apply what they have learned in this assignment using Twitpic.</p>
