

THIS IS AN EXAMPLE OF A LESSON PLAN USING FACEBOOK THAT COULD BE USED TO TEACH A 4TH GRADE CLASS

Project Title	English: Book Characters
Objective	Students will discuss with other students about their favorite authors.
Learning Environment	The students will use the computer lab and if necessary, their own personal computer.
Types of Students	The students involved in the project will be 4 th graders that are reading books by their favorite author.
Standards	ISTE: 1,2,4
Materials	Notebooks for each student. Computer and lab use for each student. Facebook account
Procedures	Each student will develop a group for their favorite author and discuss some books by their favorite author to their class. After reading their books, students will present to the class a biography on their favorite author, along with summaries for their favorite books.
Application	To interact through the internet by explain thoughts and ideas about the book that is being read. Allows students to express their viewpoints in a different manner.
Evaluation	The students will be evaluated based on the following: <ol style="list-style-type: none">1. Completion of reading books by their favorite author.2. Accurately discussing and depicting the book through words on their group page on Facebook.3. Also completing a presentation to the class.
