

**Schools to Schools,
 Internationally**

Key Focus: Uses for EDU Blogs

Grade Level: All

Overview	School Corporations can become connected with schools internationally through Edublogs.
Objective	<ul style="list-style-type: none"> Teachers will analyze the website, Edublogs to see how they can incorporate, lessons into the classroom, by contacting other teachers. Create a short statement revealing their findings.
Standards	<ul style="list-style-type: none"> Teachers will use and apply the website to connect with other teachers Teachers should also immerse with technology.
Materials	<ul style="list-style-type: none"> A computer Internet access
Procedure	<ol style="list-style-type: none"> Teachers will arrive to the seminar about Edublogs. Teachers will take notes about the website Edublogs. Teachers will then log on to the website Edublogs. Teachers will connect with other teachers through Edublogs.
Evaluation	<ul style="list-style-type: none"> For their evaluation, teachers will need to have participated in the seminar discussions, and contribute to the discussion. For homework, teachers will be assigned nightly blogging with a worksheet; teachers must have the worksheet completed on order to receive points for the day. At the end of the class, teachers will also take a quiz that evaluates the appropriate material that must be obtained. Finally teachers will also be evaluated based on attendance, students that miss class regularly, will suffer a grade deduction, while on the other hand teachers that attend all classes will receive a bonus.
