### Objective
By the end of this lesson students will be able to have a better understanding of the poems in *The Hyakunin Isshu*, by analyzing the people, nature, language, and culture of Japan. These aspects from the book could be applied to previous lessons from class.

### Learning Environment
Each student will be learning on their own, at an individual computer, out of class.

### Description of Students
Students are attending college and currently in a class studying Japanese culture, arts, and/or literature. Students will have read the novel *The Hyakunin Isshu* previous to this activity.

### Standards
Depending on standards put in place by the sociology department at each individual college.

### Materials
- Computer
- Google Earth
- Google Lit Trip Application
- *The Hyakunin Isshu* by 100 Various Poets

### Procedure
1. Students will finish reading the book *The Hyakunin Isshu* as assigned by their professor.
2. Students will be expected to go through the Google Lit Trip application on *The Hyakunin Isshu*.
3. Students will read through all available information on Google Lit Trips to get a better understanding of the poems and cultural aspects.
4. Students will be expected to write and analyze the poems based on information learned in class and from the activity on Google Lit Trips.

### Evaluation
Students will be graded on the content of their written papers.
