

Wikia in Post-Secondary Education

Art Critique

College Freshmen

Objective	To post personal artwork from class online and write an art critique for a classmate's artwork
Materials	Teacher needs: Computers with internet access, digital cameras, project rubric Student needs: Computers with internet access, possibly digital cameras
Note to teacher	<ul style="list-style-type: none">• Reserve computer lab or media center.• Create a rubric for how the presentations will be graded.• Create your classroom Wikia wiki page.• Have students specifically put their postings on the discussion page.
Procedure	<ol style="list-style-type: none">1. Have class meet in the reserved computer lab and bring their chosen artwork to display online.2. Direct students to the Wikia website.3. Have students create a user account so they can edit the webpage.4. Direct students specifically to your wiki page.5. Show students how to upload the pictures to the wiki page.6. Assign students a classmate's artwork to critique.7. Explain the critique process.8. Show the students where and how to add their critique to the wiki.9. Have students write the critique.
Evaluation	Students will receive full credit for posting their personal artwork and for posting a proper critique to their partner's work on the wiki page before the deadline.
