Lesson Plan 1: Digital Story-Telling

<i>Objective:</i>	To learn how to effectively share a story using photos instead of words.
<i>Overview:</i>	Students will use up to 20 photos and use BubbleShare to organize them into an effective digital story.
<i>Materials:</i>	<ul style="list-style-type: none">• Digital Camera• Computer• BubbleShare account
<i>Procedure:</i>	<ol style="list-style-type: none">1. Students will take 30-40 digital photos of an event2. Students will upload photos onto a computer3. Students will create a BubbleShare account4. Students will organize photos to create a “digital story”
<i>Evaluation:</i>	Each student will be graded based on having completed all of the steps of the project, the quality of the photos, the clarity and creativity in which they were arranged, and whether or not a story is being told through the photos.
