

Business/Industry Lesson Plan
Online Interview

Overview	A business in Las Vegas wants to hire college students from far away, without having to pay money for them to fly in and interview. The students could log on tokbox and interview online instead of going to Las Vegas.
Objectives	<ul style="list-style-type: none">• Interview future employees online• Avoid cost of putting up interviewees at a hotel and a plane ticket• Interview students for a future internship
Materials	<ul style="list-style-type: none">• Computer with a camera and microphone• Application notes
Procedures	<ul style="list-style-type: none">• The employer sets up times to interview students• The students log on tokbok and connect with the employer• The business gives information regarding the job• The employer interviews the students
Evaluation	<ul style="list-style-type: none">• The business interviews all possible students that want the job and pick the ones that are the best. The business contacts the students that are going to get hired and might log back on tokbok and have another meeting discussing futher details of the job.
