

Elementary Education

History Grades 4/5

Objective	After completion of this activity, students will: * Have a better sense of Chinese lifestyle/culture * Be more familiar with webcam
Overview	In this lesson plan, students will have a chance to talk to Chinese students around their age.
Materials	Computer (One for every two students) Webcam
Procedures	<ol style="list-style-type: none">1. Before starting this activity, students should have background information on Chinese lifestyle and culture. They should also be able to point out where China is located geographically and have a list of questions to ask their Chinese partner.2. Divide students in pairs and assign to computer.3. Take turns with each other asking questions along with international partner.4. After completion of this activity, students will write a one-page essay comparing/contrasting with previous and newfound knowledge.
Grading	The questions will be pre-approved before the initial conversation. The essay will be standard A-F grading system.
