

## Lesson Plans-Google Talk Video-Business

---

### My Business is Going Under!

|                   |   |
|-------------------|---|
| <i>Objectives</i> | <p>The following is a meeting where employees should be given a chance to talk to their CEO face to face and give their ideas:</p> <p>Lower level employee are given a chance to talk to the man (or women) up top</p> <p>This gives people the chance give ideas to their CEO and hear what he thinks about it straight from his mouth</p> |
| <i>Overview</i>   | <p>This plan is intended for a business that is going under and the CEO wants to hear ideas from his employees on what to change. Using Google Talk Video the CEO will be able to hear ideas from lower level employees no matter where he might be.</p>  |
| <i>Materials</i>  | <p>CEO office/conference room for employees<br/>Microphone<br/>Computers with camera<br/>projector</p>  |
| <i>Procedures</i> | <p>CEO/ employees must first need to know how to use the system</p> <p>Set up projector in conference room</p> <p>Set up camera/ microphone so that all employees can be heard and seen</p> <p>Login to Google talk account</p> <p>Have meeting</p>   |
| <i>Grading</i>    | <p>None</p>   |
