

THIS IS AN EXAMPLE OF A LESSON PLAN USING JUSTIN.TV THAT COULD BE USED TO TEACH A 9TH-12TH GRADE CLASS

PHYSICAL EDUCATION: TENNIS TECHNIQUES

Objective	This lesson plan is designed for a physical education class to teach students in the 9th-12th grade the importance and usefulness of tennis techniques. In this lesson plan students will be able to watch a live streaming video broadcast of a tennis professional player or coach via justin.tv.
Objective	Students will: <ul style="list-style-type: none"> • Be able to communicate to a tennis professional player or coach via justin.tv • Learn about different tennis techniques such as serving, lobbing, and other useful moves that can be used in a game situation.
Learning environment	A classroom with access to a computer, internet and a projector. Also a tennis court that the students can use to practice their newly learned tennis skills.
ISTE/NETS Standards	4. Promote and Model Digital Citizenship and Responsibility 5. Engage in Professional Growth and Leadership
Materials	<ul style="list-style-type: none"> • Computer with internet access • Audio devices • Projector • Whiteboard and markers • Tennis courts • Tennis racquets
Procedure	This lesson will be discussing the importance and usefulness of different tennis techniques. Through the use of justin.tv a tennis professional player or coach will be broadcasting their professional opinions and skills about the game of tennis. After the broadcasting, questions will be available to students to ask over the topic through Justin.tv.
Application	Students will communicate to a tennis professional player or coach through the use of Justin.tv and are required to ask questions and take notes for future reference.
Evaluation	Students are required then play a game of tennis and use the different skills and techniques that were offered to them through the Justin.tv broadcast.
