

Title	Hispanic Culture: Artist Maria Elena Walsh Gallery viewing
Length of Lesson	10-20 minutes.
Grade	11 th and 12 th
Subject	Spanish
Objectives	Students will learn to understand native speakers through viewing and hispanic video about a Hispanic artist, Maria Elena Walsh, and listening to comments made by the one who is filming.
Standards	1.1,1.2
Materials	-smart board, projector, or a computer station for each student or groups of students that have access to internet and have sound capabilities -text book -notebook -writing tools
Orientation	Students will be able to understand a varied vocabulary as well as communicate fluently and correctly.
Procedure	-In class students will preview a video of the exhibit about Maria Elena Walsh twice. The first lesson will focus on listening skills. The second session will be devoted to notetaking. Link: http://qik.com/video/1283218 -After viewing the video students will write four interesting items from the video. -Once these tasks are completed discussion pertaining to the students' observations will be held. -The teacher will introduce critical thinking questions such as: What was so important about the time line the artist created? What important things were on the time line? What kinds of music were in the books? Did the artist or another musician create this music?
Evaluation	-Students should identify the artists. -Students must identify what types of artwork were presented. -Students are required to contribute one piece of learned material. -Students must be able to communicate in Spanish what they have learned to the teacher.
