**Objectives**
After completing this lesson, students will have a better understanding of how letters come together to form words.

**Overview**
In this lesson, students will be given the opportunity to match names of animals to a picture of the animal. Not only will the students be learning about reading and writing but will also be given the chance to work on the computer.

**Standard**
ISTE Standard 1 D

**Materials**
- Computer Access

**Procedures**
1. The teacher will explain to students how each letter makes a different sound and when put together with other letters they create words. The teacher will then give several examples with simple words.
2. The teacher will show the students how to draw a line on the whiteboard and then will have each student attempt to match the names of the animal to a picture of the animal.

**Grading**
Grading will be based on the student's participation and effort. Assignment will be worth 5 points.
