

IP (International Partner) Communication

Welcome! This will be the page for our international partners. This is where we can communicate as well. (international partners) You can place your information here if you would like. The project we are doing will be to research and develop a 2.0 web application. Our application is Yazzem. The members in our team include myself, Jenny Meyer, Caitlyn Carr, Lauren Dermody, Mallory Wagner, Hanna Black, Courtney Troxel, Stephanie Hobbs, Trista Roysdon, Yevgenia Yadrikhinskaya, Yekaterina Alexanderova, and Maria Shishigina. We have divided roles and responsibilities among the group so that we can divide the work up and get everything done on time. We ask you (our international partners) to help us complete these tasks:
